 Original and rare furniture pieces designed by Swiss architect, the late Pierre Jeanneret are being exhibited at Galerie Downtown in Paris! For this remarkable showcase, gallery owner and curator of the exhibit François La Laffanour (@laffanour_galeriedowntown) procured 25 authentic pieces that Jeanneret designed in collaboration with his legendary cousin Le Corbusier (@fondationlecorbusier)—some of which are extremely rare!

 The iconic pieces from 1955-1965 are geometric and minimalist with a touch of Indian inspiration (the use of local materials and exotic wood species).
